

**ST. MARY SCHOOL  
PARENT SERVICE PROGRAM**

Parental help is a support needed and found to be very rewarding for both teachers and parents. Your involvement shows your children the support you have for education. The “Parent Service Program” does require your participation and help in at least 5 school events that support St. Mary’s School. This could entail being a volunteer driver of our kids to off-campus events, helping at any of our Lenten Friday fish frys, our Book Fair, the building or grounds maintenance for us, helping at one of our five annual P.S.P. supper/meetings or in any fund-raising activity, etc. Of course, all of you are strongly encouraged to help us in our Father’s Day Parish Festival.

The “Parent Service Program” will be monitored and logged. If by the end of the school year, you have failed to log in at least 5 service projects, you will be assessed \$50 for each uncompleted project. You perform no service, you pay \$250. You perform three projects you pay \$100. You complete them all, you owe nothing.

**I/WE HAVE READ AND WILL ABIDE BY THE PARENT SERVICE PROGRAM**

**Parent/Guardian’s Signature** \_\_\_\_\_

**THIS DOES NOT APPLY TO PRESCHOOL**
