

ST. MARY OF THE SNOWS CATHOLIC SCHOOL TUITION POLICY

St. Mary of the Snows Catholic School, as a nonpublic school, operates on a tuition basis. Educational services are offered through parish subsidy and tuition payment by parents.

1. St. Mary Parish subsidizes the educational cost of every child enrolled in our school.
2. Any parent experiencing a financial hardship may apply for Financial Aid.
3. All families registered for the current school year must sign a Tuition Agreement Form stating their tuition payment responsibilities.
4. **Refund Policy:** The school year is divided on a quarterly basis, both academically and financially. A student attending any part of an academic quarter is not eligible for a tuition refund for that particular quarter. Refunds are based only on unused school quarters. The Registration Fee is non-refundable.
5. Any account that is sixty (60) days past due and no arrangements have been made with the Principal or Pastor, may result in student's dismissal from St. Mary's School. In addition, no student records, interims, report cards, etc., will be released until all fees including tuition, breakfast/lunch or library have been paid.
6. Payments are due on the 15th of each month. August – May for 10 months or August – July for 12 months.
