## May 2, 2025

"St. Mary School, a ministry of St. Mary of the Snows Parish, is a community of faith open to all families to pass on the values and teachings of the Roman Catholic Church. We are committed to preparing students for lifelong learning by empowering intellectual, spiritual, moral, and emotional growth."

Dear St. Mary Families,

Next week is Teacher/Staff Appreciation Week. We are so grateful to all who serve the students and families in our school.

We are very excited to begin our One School, One Book program (as soon as the books arrive!) We are going to read about Humphrey the Hamster and his adventures as a class pet. Thank you to Mrs. Jones for her hard work in putting this together!

Kindergarten screening will now take place on Monday, May 12. Please call the office to schedule a screening appointment.

If you have not already done so, please make sure you have applied for the Diocese of Toledo Scholarship. **All families are asked to complete this application** to assist in funding our school. The application deadline is THIS SATURDAY, May 4. We work diligently to be good stewards of our finances and to not pass large tuition payments onto our families. These additional scholarship funds allow us to assist many families. Thank you to all who donated to the scholarship this year!

Blessings,

*Christa*

### Giving Back Project

Thanks to the generosity of a former student, our junior high students will be completing their Giving Back project after Spring Break. The students have decided to combine their efforts to give a larger donation to one charity, rather than several smaller amounts to differing organizations. They will hold a raffle with all proceeds going to The American Heart Association. Tickets will be sold Monday, April 28 – Friday, May 2 for \$.25 each or 5 for \$1.

St. Mary School admits students of any race, color, and national or ethnic origin.
