

"St. Mary School, a ministry of St. Mary of the Snows Parish, is a community of faith open to all families to pass on the values and teachings of the Roman Catholic Church. We are committed to preparing students for lifelong learning by empowering intellectual, spiritual, moral, and emotional growth."

Dear St. Mary Families,

Wow, it's been very busy around school these past couple of weeks! We've had our Lenten retreat, visits by Realm of the Reptile and the Richland Astronomy Club at the Warren Rupp Observatory, and outings for our Junior High students. The 8<sup>th</sup> graders visited St. Peter's High School for "Come and See Day" on Tuesday, while all junior high students attended the Newhope Annual Awareness Bowling Event at Lex Lanes.

Speaking of bowling, Mr. Clauss has our physical education bowling class scheduled for Tuesday, March 26. Students in K through 2, with both morning preschool classes, will bowl in the morning, while students in 3-8, with afternoon preschool, will bowl in the afternoon. Students in grades K-8 will be transported by Madison Schools.

Blessings,

Christa  
Christa

In 2021, the State of Ohio created a program allowing taxpayers to receive a dollar-for-dollar tax credit on their Ohio income taxes (up to \$750 per individual or \$1,500 for joint filers) by making a qualifying donation to a Scholarship Granting Organization (SGO). St. Mary and St. Peter's Schools have partnered with the Diocese of Toledo, an established SGO, making it easy to take advantage of this opportunity. We prayerfully hope you will take advantage of this Ohio Tax Credit. Your participation in the Diocese of Toledo's Scholarship Fund strengthens our schools and our future in countless ways and is a win-win-win for taxpayers, scholarship recipients, and our schools. We sincerely appreciate your generosity.
